

## Listening Guide for Presentational Task

**Nom:** \_\_\_\_\_

**Date:** \_\_\_\_\_

Put the presenter's name at the top of the column, and fill in the name of their country in the second row next to "Nom du Pays". If they mention something that can be put in a row, enter that information. You will not fill all rows for all presenters. If you do not have room in a space, you can abbreviate or fill in only some of the information (particularly if more than one thing is listed).
