

(Are we really)  
Integrating Language  
and Culture at  
Westminster

---

A presentation of our College's history  
with foreign language offerings and a cry  
for help or advice!

# Westminster's History

---

- Located in Fulton, Missouri
- An all-male college until 1980s
- Selling point is Churchill
- A party school reputation until recently
- Doubling in growth of student population in past 10 years

# Language Study at Westminster

---

- Initially, there were no language majors or minors solely at Westminster
- There did not exist a language requirement in the gen ed program
- 1<sup>st</sup> language requirement- Mid 90s
- Stable language major and minor programs came into being around the same time.

# The Department

---

- 3 tenure-track Spanish professors
- 1 tenure-track French professor
- 1 adjunct German instructor
- Latin and Greek were moved to a different department about ten years ago
- New languages?

# Study abroad
